Gaia "Kurema, Kureba, Kwiga" New Mural - Baltimore, USA

Gaia recently stopped by Southwest Baltimore, USA where he spent a few days working on this sweet new piece.
The American street artist dropped "Kurema, Kureba, Kwiga", a beautiful Mandela memorial in Sowebo which you will be able to find on Mchenry street. This piece was painted for the @colourikamva project in Rwanda and @marthacoopergram s sowebo/soweto documentation.
Take a look at some more images after the break and then drop your two cents down in the comments section.
